

## From the Board

We want to thank everyone for a good 2013, and we hope everyone has a great 2014! Happy New Year!

Here is the yearly agenda for the 2014 Heritage Parks Board of Directors:

- Continue to develop close relationships with the developer of the area
- The board wants to meet you! The board member assigned to your street will be coming to your door soon to introduce him/herself and to ask you a few questions to get to know you and your desires for our neighborhood. The board member will also be bringing you some important information. Please take the time to meet us as we take the time to meet and serve you!
- We will continue to work on a master plan for a proposed park area.
- The board is dedicated to continuing the beautification of Heritage Parks. We want to plant new trees, as well as replace some of the dead trees in the common areas. We will also continue to spruce up the area with bushes, flowers, etc.
- We want to increase the number and quality of the community activities. On the information sheet the board members will be bringing around the neighborhood, there will be a list of upcoming activities for 2014. We hope you and your friends and family will join us for these fun activities.
- The 2014 HPHA board members are:
  - Richard Cordero, President
  - Steve Robb, Vice President
  - Joey Roberts, Secretary
