Issue 40

From the President

Greetings from your president and the board of directors.

The new board has worked long and hard on a variety of issues. The fence issue has been resolved, and details will be provided at the next quarterly meeting, which is scheduled for Tuesday, April 16 at 7 p.m. in the Region 14 Taylor Room.

A budget has been developed by the board of directors, and it will be presented at the meeting as well. The board has also discussed allocating funds for future HPHA maintenance needs.

There are several items for each of us to remember:

- As the mowing season approaches, please maintain your yard as required per the Deed Restrictions
- Please remove your trash cans from the curb and place them in their location after each pick-up
- Be neighborly

Slow down while driving through the complex, please watch your speed. Children and pedestrians are out and about.

If you have any questions, please do not hesitate to contact me via email at president@heritageparksabilene.com.

Coming Soon

Don't forget the Heritage Parks community-wide garage sale on Saturday, April 6. This is the first spring sale, and we hope it is as successful as the fall garage sales have been.

Set Up Your Draft

Are your monthly or quarterly payments set up on automatic draft? If not, it is easy to do, and it will save the Heritage Parks Homeowners Association money, allowing us to do more with your dues.
