

## From the Board

Some important notes you need to know:

- A special thanks to Kerry Amexcua for repainting the black lettering on the Heritage Park signs at both entrances. Kerry, you are appreciated!
- There are still many violators regarding lawns, inoperable cars, trash cans being left out, etc. If you do not want a letter, or to be fined, please comply by the deed restrictions for your home. Have questions on your deed restrictions? Check out our website for a copy of all deed restrictions for Heritage Parks.
- The number of speeding cars has gone down. Please be mindful of playing children and people walking or running in our neighborhood.
- Beltway Park Baptist Church has purchased around 22 acres of land north of Heritage Parks. We are working with BPBC regarding mowing and watering along Hwy. 351.
- If anyone would like to mow lawns of violators, please email us at [president@heritageparksabilene.com](mailto:president@heritageparksabilene.com) to be added to the list.
- Roy Cooke, resident of Heritage Parks and retired contractor, has agreed to help those residents needing minor/light repairs regarding their fence in order to be compliant with the deed restrictions. Please email your request for needs to the HPHA board, and we will forward your request to Roy. Residents must arrange any payment required with Mr. Cooke.
- With Halloween at the end of the month, please be aware of Trick or Treaters around the neighborhood.
- Although there are "No Soliciting" signs as you enter Heritage Parks, solicitors have the right to knock on doors and push their product. However, you have the right to refuse solicitors and say, "No." You also have the right to post a sign on your house that says "No Solicitors," and they must obey the posted signage.

This has been a good year so far, please help us keep Heritage Parks be a great place to live.
